Re: Handberry v. Thompson, 96 Civ. 6161 (GBD)
Plaintiffs' Request for an Extension

Dear Judge Daniels:

We represent Plaintiffs in the above-referenced class action. We write to request an extension until February 1, 2019 to respond to Defendants' Motion for Partial Confirmation of Dr. Leone's Third Report and Opposition to Plaintiffs' Objections (Docket No. 293).

This is Plaintiffs' first request for this extension, and is made because Plaintiffs' counsel require more time due to holiday and other scheduling issues and the possibility that the parties may resolve this matter by settlement.

The City Defendants do not object to this extension request, and granting it will not affect any other obligations currently scheduled in this matter.

Respectfully,

/s/
